

GWAPP

Greenpoint Waterfront Association for Parks and Planning

The Greenpoint Waterfront Association for Parks & Planning, Inc. ("GWAPP") is a community based not-for-profit group comprised of community organizations and religious institutions from the Greenpoint-Williamsburg communities dedicated to the development of parks and public access on the Greenpoint waterfront. Building upon its successful defeat of a powerplant on the East River, GWAPP is also dedicated to assisting the community in promoting and monitoring any development that impacts the Greenpoint Waterfront.
