Re: Case 01-F-1276- TransGas Energy Systems LLC – 1100 MW Generating Facility,  
Brooklyn New York

Dear Mr. Laniado:

Attached find revised comments by the Greenpoint Williamsburg Waterfront Task Force Comments on TGE's proposed stipulations revised as of April 16, 2002. While the Task Force is glad to see that TGE will include certain proposed revisions without our signature and that some of the conditioned language is acceptable, we still find that some of the main issues raised by the community are not reflected in the proposed stipulations. Therefore, to discuss these issues further we prefer to have the meeting already set for April 19, 2002 at DPS Offices in Manhattan.

Very truly yours,

Victor M. Tafur
